

**Kids in school full time?
Retired and want to
help the community?
Looking for something
new to do?**

**The Brownsburg Education
Foundation (BEF) could use
your help!**

**BEF has many projects and
events where volunteers are
needed to make these projects
and events successful. No
matter what type of time com-
mitment you can give, BEF has
something for you to do!**

What is the Brownsburg Education Foundation?

The Brownsburg Education Foundation (BEF) is a nonprofit 501(c)(3) organization that gives money through classroom grants and scholarships to the staff and students of the Brownsburg Community School Corporation (BCSC), promoting creativity, innovation and excellence in the school environment.

Since 1987 when BEF was founded, over \$2.5 million has been given back to BCSC through the support of generous donors and businesses and the time invested by volunteers in our community.

The Brownsburg Education Foundation is passionate about supporting excellence in the classrooms of the Brownsburg Schools. If you are passionate about education and have time to help further the mission of BEF, please consider volunteering. Any small amount of time you have can make a big impact.
